Environmental Policy

Abercol Ltd acknowledges its responsibility to the environment beyond legal and regulatory requirements. We are dedicated to minimizing our environmental impact and consistently enhancing our environmental performance as an intrinsic part of our business strategy and operating methods. We will encourage customers, suppliers, and other stakeholders to do the same.

Responsibility:
Colin Phillip, Company Director, is responsible for ensuring the implementation of this environmental policy. However, all employees share the responsibility in their respective areas to meet the aims and objectives of this policy.

Policy Objectives:
We strive to:
1. Comply with all relevant regulatory requirements.
2. Continuously improve and monitor our environmental performance.
3. Continuously enhance and minimize our environmental impacts.
4. Consider environmental factors in our business decisions.
5. Enhance employee awareness through training.

Paper:
We will:
1. Minimize paper usage in the office.
2. Reduce packaging to the greatest extent possible.

Energy and Water:
We will seek to:
1. Decrease energy consumption as much as possible.
2. Switch off lights and electrical equipment when not in use.
3. Adjust heating with consideration for energy consumption.

Office Supplies:
We will:
1. Carefully assess if the need can be met through alternative means.
2. Prefer environmentally friendly and efficient products wherever possible.
3. Reuse and recycle whenever feasible.
